**What is Chronic Fatigue Syndrome?**

Chronic fatigue syndrome, or CFS, is a debilitating and complex disorder characterized by profound fatigue that is not improved by bed rest and that may be worsened by physical or mental activity. Symptoms affect several body systems and may include weakness, muscle pain, impaired memory and/or mental concentration, and insomnia, which can result in reduced participation in daily activities. (U.S. Center for Disease Control and Prevention).

Approximately 1,000,000 to 4,000,000 Americans have chronic fatigue syndrome. Studies have also shown that individuals with Fibromyalgia also have Chronic Fatigue Syndrome.

**What is Chronic Fatigue Therapy™?**

Chronic Fatigue Therapy™ is a homeopathic Fast Dissolving Tablet™ that provides multi symptom therapy for CFS symptoms such as:

- Fatigue
- Loss of memory or concentration
- Sore throat
- Enlarged lymph nodes in your neck or armpits
- Unexplained muscle pain
- Pain that moves from one joint to another without swelling or redness
- Headache of a new type, pattern or severity
- Unrefreshing sleep

This healthy formula stimulates the body's natural ability to alleviate these symptoms.
