About Coral LLC
Coral LLC is America’s original coral company. For over 14 years Coral LLC has been providing the highest quality coral products, and the best customer service. Coral LLC is committed to the environment and the Eco Safe logo is your assurance that the endangered reefs of the world are never harmed or touched when harvesting our coral.

Coral Complex 3
The original coral capsule in the USA. The formula has become the most popular and successful in the USA. Now in its third generation, coral complex 3 provides 900 mg Calcium, 168 mg Magnesium, and 1,200 I.U. of Vitamin D3 per serving plus 72 trace Minerals. Coral complex 3 is also made excipient free, contains no fillers or flow agents, and uses vegetable capsules. Coral Complex 3 is available in a 90 count and 180 count bottle.

Eco Pure Coral Powder
100% pure coral powder containing calcium and 73 trace minerals. The eco pure coral powder is ground to a 2-12 micron particle size that easily dissolves in your mouth. Eco Pure powder is available in 114g and 454g containers.

Coral White Toothpaste
The Cleanest most Natural toothpaste available containing NO Fluoride or Sodium Lauryl Sulfate. Brushing your teeth with Coral White toothpaste not only helps prevent cavities, freshen breath, and whiten teeth, but is designed to re-mineralize your tooth enamel as well.
Combining essential oils such as tea tree, spearmint, and peppermint oils for their flavorful freshness, antiseptic, antimicrobial, and antioxidant botanicals such as cinnamon, ginseng, and Ginko, with a base of all natural calcium from coral, makes Coral White a perfectly balanced all natural toothpaste. Coral White is available in both Tea Tree and Mint Flavors in a 6 oz (170g) tube, and the mint flavor is also available in a 1 oz (28g) tube ideal for travel.

Daily D
Vitamin D, the Sunshine Vitamin. Each Daily D vegetable capsule contains 5,000 I.U.’s natural vitamin D3 from Cholecalciferol, plus 260 mg of natural calcium with 73 trace minerals.

Cinnamon 6
A combination of 6 herbs and 1 mineral, make up Cinnamon 6. The botanicals Cinnamon, Bitter Melon, Gymnema, Nopal, Ginseng, and Fenugreek along with Chromium all contribute to the effectiveness of the Cinnamon 6 formula. Made only with organic and/or wild harvested herbs. Cinnamon 6 is available in a 243 count bottle.
